

TiE Young Entrepreneurs (TYE) Oregon is a TiE Oregon initiative to inspire, challenge and empower students to become the next generation of entrepreneurs, business and community leaders.

TYE runs in 32 cities around the world. Seasoned entrepreneurs and mentors teach high school students a project-based curriculum that has a strong emphasis on design thinking and customer validation.

This year's session is held October – May culminating in a State Competition. The winning team will continue on and participate in the Global TYE Competition.

Locally, this year's program will consist of a Community Program which is open to all high school students, and Satellite Programs that will take place at **Lincoln High School**, **McDaniel High School** (formerly Madison High School), **Metropolitan Learning Center**, and **Rosemary Anderson High School's North Campus**.

If you are a teacher, administrator, or parent interested in bringing TYE to your school, please email jaime.burbach.mustard@Oregon.tie.org.

Apply now to participate in the 2024-2025 TYE Community Program!

DONATE OR VOLUNTEER

Because of generous donations, volunteers and mentors, TYE Oregon can be offered throughout our local public schools that predominantly represent students who qualify for free or reduced lunches and/or students of color.

Out of all global TYE programs, TYE Oregon is the only chapter that sponsors its curriculum and services to the community with grant funds.

If you are interested in donating, volunteering or would like more information on how mentors are integrated into the classroom, please email jaime.burbach.mustard@Oregon.tie.org.
